Economic and Financial Journalism: Citibank Publications

Economic Week (EW), the Citibank Monthly Economic Letter (MEL) and Money International (MI), were publications of the Economics Department of Citibank, N.A. Many of these articles were unsigned. Correspondent News (later called Future Banking), for which I wrote a regular column, was a publication of the Correspondent Banking Group of Citibank. Citations of articles in Economic Week are incomplete. Omitted is a series of monthly and quarterly articles on U.S. credit markets that appeared in publications of the Citibank Economics Department's forecasting service from 1978 to 1983 and on foreign economies from 1976 to 1978.

“Price Controls Flunk the Inflation Test” (with Arthur E. Gandolfi) MEL, July 1973.

“For Commodity Prices It's a One-World Market,”(with Arthur E. Gandolfi) MEL, December 1973.

“World Prices: An Open and Closed Case,” (with Arthur E. Gandolfi) MEL, August 1974.

“How Indexing Can Ease Inflation's Pain,” MEL, October, 1974.

“Britain's Inflation -- The Pessimists Are Probably Wrong,” MI, January 29, 1975 [reprinted in MEL, March 1975].

Citicorp Capital Markets Group and Citicorp Investment Bank Publications:

November 1983 through November 1984, I was Editor of Capital Markets Weekly published by the North American Corporate Finance Division of the Citicorp Capital Markets Group and wrote 47 (untitled) lead articles on economic and credit-market developments.

April 1985 through October 1986, I was Editor of Economics and Markets, a series of research reports published by Citicorp Investment Bank, and wrote the following reports.

“Money and Inflation: Evidence and Outlook,” August 1985.

“The Dollar: How Overvalued Is It?,” October 1985.

“Monetary Policy and the Prospects for Growth,” November 1985.

“Exchange Rates and Policy Independence Among Countries,” February 1986.

“Oil Prices and the Economy: A Primer,” April 1986.

“Are Bond Yields Still Too High?,” September 1986.

“A Tale of Two Central Banks” November 1986.

Citicorp Investment Bank assumed responsibility for Economic Week in 1986. The following is a list of articles that I wrote for that publication thereafter.

“Bond Yields: Are They Still Too High?,” September 8, 1986.

“Upbeat News Puts a Rate Cut on Hold,” December 9, 1986.

“European Monetary System: New Parities Are Built on Sand,” January 20, 1987.

“Dollar: Its Equilibrium Goes Overboard in Choppy Seas,” March 9, 1987.

“Sterling: The Currency Markets Vote Conservative,” March 23, 1987.

“Germany: Why It Is Not Coordinating with the Big Two,” May 4, 1987.

“Germany: A Good Deal Healthier than They Thought,” June 29, 1987.

“Britain: Taking a Very Careful Look at the EMS,” June 22, 1987.

Academic Presentations

“Uncovered interest parity: The long and the short of it.” XXIV International Rome Conference on Money, Banking and Finance, University of Rome, LUMSA, December 2015.

“Purchasing power parity and the relation between price levels and exchange rates.” Conference at Fordham University in my honor, September 2015.

“Uncovered interest parity: The long and the short of it.” Queen Mary University, London, June 2015.

“Uncovered interest parity: The long and the short of it.” Frank J. Petrilli Center Workshop in International Finance, April 2015.

“Milton Friedman's monetary economics: Theory and empirics,” University of Rome Tor Vergata, December 2014.

“Monetary Policy and the Twin Crises,” University College Cork, Business School and Economics Department Seminar, October 2014.

“Monetary Policy and the Twin Crises,” Faculty Research Seminar, School of Business, Fordham University, January 2014.

“Monetary Policy and the Twin Crises,” XXII International Conference on Banking and Finance, University LUISS Guido Carli, Rome, December 2013.

“Monetary Policy and the Twin Crises,” Frank J. Petrilli Center Workshop in International Finance, November 2013.

“Monetary Policy and the Twin Crises,” Keynote address, International Conference on the Global Financial Crisis: European Financial Markets and Institutions, University of Southampton, April 2013.

The Irish Economy in Historical Perspective, Irish Studies Institute, Fordham University, March 2013.

“Exchange Rates and Prices in the Netherlands and Britain over the Past Four Centuries,” XXI International Conference on Banking and Finance, University LUISS Guido Carli, Rome, December 2012.

"Financial Globalization in Historical Perspective," Toppeta Family Chair in Global Financial Markets Inaugural Lecture, Fordham University, November 2012.

“Irving Fisher and UIP,” Conference to Celebrate the 30th Anniversary of the Journal of International Money and Finance, Fordham University, October 2012.

“Exchange Rates and Prices in the Netherlands and Britain over the Past Four Centuries,” Money, Macro and Finance Research Group Workshop on Empirical Modelling of Financial Markets Brunel University, London, May 2012.

“Exchange Rates and Prices in the Netherlands and Britain over the Past Four Centuries,” CUNY Graduate Center, April 2012.

“A Primer on Exchange Rates,” Twentieth Tor Vergata Conference on Banking and Finance, University of Rome Tor Vergata, December 2011.

“A Primer on Exchange Rates,” Bank of Greece, June 2011.

“Exchange Rates and Prices in the Netherlands and Britain over the Past Four Centuries” Faculty Research Seminar, School of Business. Fordham University, January 2011.

“Exchange Rates and Prices in the Netherlands and Britain over the Past Four Centuries.” Frank J. Petrilli Center Workshop in International Finance, December 2010.

“Money and Credit in the Recent Financial Crisis,” Nineteenth Tor Vergata Conference on Banking and Finance, University of Rome Tor Vergata, December 2010.

“A Fourth Episode in Friedman’s Natural Experiment,” First World Finance Conference, Viana do Castelo, Portugal, May 2010.

"U.S. Monetary Policy and the Financial Crisis," Eighteenth International Tor Vergata Conference on Banking and Finance, University of Rome Tor Vergata, December 2009.

"U.S. Monetary Policy and the Financial Crisis," Conference on Regulating Systemic Risk, Center for Financial Innovation and Stability, Federal Reserve Bank of Atlanta, October 2009.

"U.S. Monetary Policy and the Financial Crisis," Methods in International Finance Network, 3rd Workshop, Luxembourg, October 2009.

"U.S. Monetary Policy and the Financial Crisis," Queens College (CUNY), October 2009.

"U.S. Monetary Policy and the Financial Crisis," Fordham University, October 2009.

"U.S. Monetary Policy and the Financial Crisis," 7th INFINITI Conference on International Finance, Trinity College Dublin, June 2009.

"Irving Fisher and the UIP Puzzle", Conference to Honor Christian Wolff, Maastricht University, May 2009.

"Milton Friedman's Monetary Economics and the Quantity-Theory Tradition," Fordham University, April 2009.

"Rerum Novarum," Lumen Christi Institute 2009 Conference on Economics and Catholic Social Thought, Our Lady of the Lake University, Mundelein Illinois, March 2009.

"A Bayesian Comparison of the Gold Standard, the Great Inflation and the Great Moderation: Do Policy Regimes Matter?" Seventeenth International Tor Vergata Conference on Banking and Finance, University of Rome Tor Vergata, December 2008.

"Milton Friedman's Monetary Economics and the Quantity-Theory Tradition," Sixteenth International Tor Vergata Conference on Banking and Finance, University of Rome Tor Vergata, December 2008.

"The Behavior of Money and Other Economic Variables: Two Natural Experiments," Conference on "Money and Monetary Policy," Fordham University, October 2008.

"The Behavior of Money, Prices and Exchange Rates across Exchange-Rate Regimes and Purchasing Power Parity: Three Natural Experiments," University of Piraeus, Piraeus. Greece, June 2008.

"The Behavior of Money, Prices and Exchange Rates across Exchange-Rate Regimes and Purchasing Power Parity: Three Natural Experiments," CUNY Graduate Center, March 2008.

"The Behavior of Money, Prices and Exchange Rates across Exchange-Rate Regimes and Purchasing Power Parity: Three Natural Experiments," University College Cork, February 2008

"The Behavior of Money, Prices and Exchange Rates across Exchange-Rate Regimes and Purchasing Power Parity: Three Natural Experiments," College of Business Administration, Fordham University, January 2008.

"The Behavior of Money, Prices and Exchange Rates across Exchange-Rate Regimes and Purchasing Power Parity: Three Natural Experiments," Sixteenth International Tor Vergata Conference on Banking and Finance, University of Rome Tor Vergata, December 2007.

"The Behavior of Prices and Nominal Exchange Rates across Exchange-Rate Regimes: Three Natural Experiments," Maastricht University, November 2007.

"Irving Fisher, Expectational Errors and the UIP Puzzle," 5th INFINITI Conference on International Finance, Trinity College Dublin, June 2007.

"The Behavior of Prices and Nominal Exchange Rates across Exchange-Rate Regimes: Three Natural Experiments," 11th International Conference on Macroeconomic Analysis and International Finance, University of Crete, May 2007.

“Irving Fisher, the UIP Puzzle and the ‘Peso Problem” (with Rachel Campbell, Kees Koedijk and Ronald Mahieu), University College, Cork, February 2007.

“Purchasing Power Parity and the Euro’s Adoption” (with Gerald P. Dwyer and Tomas Flavin), Fifteenth International Tor Vergata Conference on Banking and Finance, University of Rome Tor Vergata, December 2006.

"Uncovered Interest Rate Parity over the Past Two Centuries" (with Liuren Wu), Maastricht University, November 2006.

"Uncovered Interest Rate Parity over the Past Two Centuries" (with Liuren Wu), University College, Cork, October 2006.

"Uncovered Interest Rate Parity over the Past Two Centuries" (with Liuren Wu), 4th INFINITI Conference on International Finance, Trinity College Dublin, June 2006.

"The Behavior of Money and Other Economic Variables: Two Natural Experiments" (with Cornelia McCarthy), Federal Reserve Bank of Atlanta, May 2006.

"Economic Institutions, Capital Flows and Growth," Fordham CBA faculty seminar, January 2006.

"Uncovered Interest Rate Parity over the Past Two Centuries" (with Liuren Wu) Fourteenth International Tor Vergata Conference on Banking and Finance, University of Rome Tor Vergata, December 2005.

"Economic Institutions, Capital Flows and Growth," University College Cork, October 2005.

"Economic Institutions, Capital Flows and Growth," keynote address to the INFINITI Conference on Real and Financial Aspects of Financial Integration, Trinity College Dublin, June 2005.

“Institutional Influences on Investments in Developing Countries,” FS Focus, Emerging Markets Congress, University of Maastricht, May 2005.

“Institutions, Capital Flows and Financial Integration,” keynote address to the Conference on Emerging Markets Finance, Cass Business School, City University of London, May 2005.

“Institutions, Capital Flows and Financial Integration,” Frank J. Petrilli Center for Research in International Finance Seminar Series, Fordham University Schools of Business, April 2005.

“The Behavior of Money and Other Economic Variables: Two Natural Experiments” (with Cornelia McCarthy), Smurfit School of Business, University College Dublin, February 2005.

“The Behavior of Money and Other Economic Variables: Two Natural Experiments” (with Cornelia McCarthy), NAEFA Sessions at the ASSA Meetings, Philadelphia, PA, January 2005.

“The Behavior of Money and Other Economic Variables: Two Natural Experiments” (with Cornelia McCarthy), Thirteenth International Tor Vergata Conference on Banking and Finance, University of Rome Tor Vergata, December 2004.

“The Behavior of Money and Other Economic Variables: Two Natural Experiments” (with Cornelia McCarthy), Northeast Business & Economics Association, Yeshiva University, New York, NY, September 2004.

“The Behavior of Money and Other Economic Variables: Two Natural Experiments” (with Cornelia McCarthy), The Inaugural International Conference on Business, Banking & Finance, Port of Spain, Trinidad and Tobago, April 2004.

“The Behavior of Money and Other Economic Variables: Two Natural Experiments” (with Cornelia McCarthy), Baruch College, CUNY, March 2004.

"The Behavior of Money and Other Economic Variables: Two Natural Experiments" (with Cornelia McCarthy), Workshop in Public Policy, University of Chicago Economics Department, November 2003.

“The Behavior of Money and Other Economic Variables: Two Natural Experiments” (with Cornelia McCarthy), Fordham University Department of Economics, October 2003.

"Real Exchange Rates, Non-linear Adjustment and the Harrod-Balassa-Samuelson Effect” (with Mark P. Taylor), Frank J. Petrilli Center for Research in International Finance Seminar Series, Fordham University Schools of Business, September 2003.

“Real Exchange Rates, Non-linear Adjustment and the Harrod-Balassa-Samuelson Effect” (with Mark P. Taylor), Financial Management Association European meetings, Dublin Ireland, June 2003.

“International Money and Common Currencies in Historical Perspective,” (with Gerald P. Dwyer) Workshop in Public Policy, University of Chicago Economics Department, May 2003.

“The Behavior of Money and Other Economic Variables: Two Natural Experiments” (with Cornelia McCarthy), Irish Macro-Finance Symposium at University College Cork, April 2003.
